21 The Secretary may waive the application of subpara-
22 graph (F) with respect to eligibility for medical as-

10 part of the services to the eligible indi-
11 vidual;

12 “(B) provision of such services to such in-
13 dividuals through a comprehensive, interdiscipli-
14 nary and multidisciplinary health and social
15 services delivery system which integrates, as ap-

17 acute and long-term care services, palliative,
18 respite and curative treatment, counseling and
19 support for family members who are caretakers
20 or otherwise relevant to appropriate care and
21 treatment of the individual, and such other
22 services as may be furnished pursuant to regu-
23 lations and the provisions of the applicable
24 State plan; and

1 “(C) the ChiPACC is operated, and the
2 services to enrolled individuals are furnished, in
3 a manner that is consistent with Standards of
4 Care and Practice Guidelines developed by Chil-
5 dren’s Hospice International for a Program of
6 All-Inclusive Care for Children (as in effect as
7 of the date of the enactment of this section or
8 such later date as the Secretary may specify).

9 “(2) QUALITY ASSURANCE; PATIENT SAFE-
10 GUARDS.—With respect to a ChiPACC, the State

12 “(A) The provision of services under the
13 ChiPACC meets Federal and State guidelines

19 “(C) There is financial accountability of
20 funds expended under this title with respect to
21 such services.

22 “(D) There is a written plan of quality as-
23 surance, and procedures implementing such
24 plan, in accordance with regulations.

1 “(E) Written safeguards of the rights of
2 individuals enrolled in the ChiPACC, including
3 a patient bill of rights and procedures for griev-
4 ances and appeals, in accordance with regula-
5 tions and with other requirements of this title
6 and Federal and State law designed for the pro-
7 tection of patients.

8 “(F) There are in effect procedures for
9 data collection, record maintenance and reten-
10 tion, and the development of outcome measures,
11 and such other policies, systems, and proce-
12 dures as are sufficient to afford the Secretary
13 and the State administering agency access to
14 records and data relating to the ChiPACC, in-
15 cluding pertinent financial, medical, and per-
16 sonnel records.

17 “(G) The agency shall submit to the Sec-
18 retary such reports as the Secretary finds (in
19 consultation with State administering agencies)
20 necessary to monitor the operation, cost, and
21 effectiveness of ChiPACCs.

22 “(3) COST-SHARING WAIVER.—A State admin-
23 istering agency may, in the case of a ChiPACC eligi-
24 ble individual enrolled in the State’s ChiPACC,
25 waive deductibles, copayments, coinsurance, or other

1 cost-sharing that would otherwise apply under the
2 State plan under this title.

3 “(d) ELIGIBILITY DETERMINATIONS.—

4 “(1) IN GENERAL.—In determining whether an
5 individual is a ChiPACC eligible individual, the
6 State administering agency shall conduct an inde-
7 pendent evaluation and assessment, which shall in-
8 clude the following:

9 “(A) Where appropriate, consultation with
10 the individual’s family, guardian, or other re-
11 sponsible individual.

12 “(B) Consultation with appropriate treat-
13 ing and consulting health and support profes-
14 sionals caring for the individual.

15 “(C) An examination of the individual’s
16 relevant history, medical records, and care and
17 support needs, guided by best practices and re-
18 search on effective strategies that result in im-
19 proved health and quality of life outcomes.

20 “(2) CERTIFICATION.—Upon completion of the
21 evaluation and assessment described in paragraph
22 (1), an individual meeting the criteria of a ChiPACC
23 eligible individual shall be certified as such, pursuant
24 to procedures specified in regulations and the appli-
25 cable State plan.

1 “(3) CONTINUATION OF ELIGIBILITY.—An indi-
2 vidual who is a ChiPACC eligible individual may be
3 deemed to continue to be such an individual notwith-
4 standing a determination that the individual no
5 longer meets the requirement of subsection (b)(2)(B)
6 if, in accordance with regulations, it is reasonably
7 foreseeable that, if the individual is not furnished
8 services under this section, the severity or impact of
9 the individual’s illness or condition would increase to
10 a degree that the individual would again meet such
11 requirement before the individual attains adulthood
12 or within the succeeding 12-month period.

13 “(4) ANNUAL REEVALUATIONS.—Subject to
14 such limitations as the Secretary may by regulation
15 prescribe, the eligibility determination made under
16 this subsection shall be reevaluated annually, except
17 that such an annual evaluation may be waived, in
18 accordance with regulations, in a case where the ad-
19 ministering State agency determines that there is no
20 reasonable expectation of improvement or significant
21 change in the individual’s illness or condition during
22 a period to which the reevaluation requirement
23 would otherwise be applicable.

24 “(5) ENROLLMENT AND DISENROLLMENT.—

1 “(A) VOLUNTARY DISENROLLMENT AT ANY
2 TIME.—The enrollment and disenrollment of
3 ChiPACC eligible individuals in a ChiPACC
4 shall be pursuant to procedures specified in reg-
5 ulations and the State plan, but shall permit an
6 enrollee, or an enrollee’s guardian or other legal
7 representative, acting on behalf of an enrollee,
8 to voluntarily disenroll for any reason at any
9 time.

10 “(B) LIMITATIONS ON DISENROLLMENT.—

11 “(i) IN GENERAL.—Regulations, and
12 the applicable State plan, shall provide
13 that a ChiPACC may not involuntarily
14 disenroll a ChiPACC eligible individual en-
15 rolled in the ChiPACC except—

16 “(I) for disruptive or threatening
17 behavior by the enrollee, or by a fam-
18 ily member with whom a health care
19 provider providing services under the
20 ChiPACC necessarily has contact in
21 the provision of services, as defined in
22 provisions of regulations (developed in
23 close consultation with State admin-
24 istering agencies); and

1 “(II) if there is a change in the
2 individual’s medical condition, resi-
3 dency or geographic location, or finan-
4 cial situation such that the individual
5 no longer is a ChiPACC eligible indi-
6 vidual and paragraph (3) does not
7 apply to warrant continuation of en-
8 rollment.

9 “(ii) NO DISENROLLMENT FOR NON-
10 COMPLIANT BEHAVIOR.—Except as allowed
11 under regulations, a ChiPACC may not
12 disenroll a ChiPACC eligible individual on
13 the ground that the individual has engaged
14 in noncompliant behavior if such behavior
15 is related to a mental or physical condition
16 of the individual. For purposes of the pre-
17 ceding sentence, the term ‘noncompliant
18 behavior’ includes repeated noncompliance
19 with medical advice and repeated failure to
20 appear for appointments.

21 “(iii) TIMELY REVIEW OF PROPOSED
22 NONVOLUNTARY DISENROLLMENT.—A pro-
23 posed involuntary disenrollment under this
24 subparagraph shall be subject to timely re-
25 view and final determination by the Sec-

1 retary or by the State administering agen-
2 cy (as applicable), prior to the proposed
3 disenrollment becoming effective, pursuant
4 to procedures prescribed in regulations.

5 “(C) APPEALS.—If an individual is deter-
6 mined not to be a ChiPACC eligible individual
7 upon application, any time after such services
8 begin, or is disenrolled from a ChiPACC for
9 reasons described in subparagraph (B)(i)(I), the
10 State plan under this title shall allow for an ap-
11 peal of such determination. During the course
12 of the appeals process, an individual previously
13 enrolled in a ChiPACC shall continue to be so
14 enrolled and to receive benefits through the
15 ChiPACC.

16 “(6) CONSTRUCTION.—The fact that a
17 ChiPACC eligible individual is enrolled under a
18 ChiPACC shall not be construed as adversely affect-
19 ing the eligibility of the individual’s parents or care-
20 taker relatives for medical assistance under this
21 title.

22 “(e) PAYMENTS TO HEALTH CARE PROVIDERS
23 UNDER CHIPACC.—

24 “(1) IN GENERAL.—Payments to health care
25 providers furnishing items and services under a

1 ChiPACC shall be paid on a capitated or fee-for-
2 service basis, according to regulations and as speci-
3 fied in the applicable State plan consistent with this
4 subsection.

5 “(2) USE OF INTEGRATED, BUDGET-NEUTRAL
6 FINANCING.—Payments under this subsection shall
7 be made—

8 “(A) on a basis that permits provision for
9 integrated financing methodologies that allow
10 providers to pool payments received from public
11 and private programs and individuals; and

12 “(B) in amounts that are designed, accord-
13 ing to regulations, to ensure that aggregate
14 payments under this section for individuals en-
15 rolled in a ChiPACC, whether made on a
16 capitated basis or fee-for-service basis, do not
17 exceed on average the aggregate payments that
18 would have been paid under the State plan for
19 such individuals if they were not so enrolled,
20 taking into account the comparative case-mix of
21 ChiPACC enrollees and such other factors as
22 the Secretary determines to be appropriate.

23 “(f) TERMINATION PROCEDURES.—

24 “(1) IN GENERAL.—Under regulations—

1 “(A) the Secretary may require a State ad-
2 ministering agency to terminate the participa-
3 tion of a ChiPACC coordinator for cause; and

4 “(B) a State administering agency may
5 terminate operation of a ChiPACC after appro-
6 priate notice to the Secretary and enrollees.

7 “(2) CAUSES FOR COORDINATOR TERMI-
8 NATION.—In accordance with regulations estab-
9 lishing procedures for termination of participation of
10 ChiPACC coordinators, the Secretary may require a
11 State administering agency to terminate participa-
12 tion of a ChiPACC coordinator for, among other
13 reasons, the fact that—

14 “(A) the Secretary determines that the
15 ChiPACC coordinator has failed to comply sub-
16 stantially with requirements for a ChiPACC co-
17 ordinator under this section; and

18 “(B) the State administering agency has
19 failed to develop and successfully initiate, with-
20 in 30 days of the date of the receipt of written
21 notice of such a determination for the ChiPACC
22 coordinator, a plan to correct the coordinator’s
23 deficiencies, or has failed to continue implemen-
24 tation of such a plan of correction.

25 “(g) REGULATIONS.—

1 “(1) IN GENERAL.—The Secretary shall issue
2 interim final or final regulations to carry out this
3 section.

4 “(2) USE OF EXISTING STANDARDS.—

5 “(A) IN GENERAL.—In issuing such regu-
6 lations, the Secretary shall, to the extent appro-
7 priate and consistent with the provisions of this
8 section, incorporate the standards and require-
9 ments applied to Programs of All-Inclusive Care
10 for Children demonstration waiver programs
11 that have been implemented before (or as of)
12 the date of the enactment of this section, in-
13 cluding standards of care and practice guide-
14 lines applied under such programs.

15 “(B) FLEXIBILITY.—In order to provide
16 for reasonable flexibility in adapting the service
17 delivery model described in subparagraph (A) to
18 the needs of particular organizations (such as
19 those in rural areas or those that may deter-
20 mine it appropriate to use nonstaff physicians
21 according to State licensing law requirements)
22 under this section, the Secretary (in close con-
23 sultation with State administering agencies)
24 may modify or waive provisions described in
25 subparagraph (A) so long as any such modifica-

tion or waiver is not inconsistent with and would not impair the essential elements, objectives, and requirements of this section, but may not modify or waive any of the following provisions:

“(i) The requirement of delivery of comprehensive, integrated palliative, respite and curative services, therapy, counseling and other medical and psycho-social services for ChiPACC eligible individual, to the extent such services would benefit the individual.

“(ii) The requirement of delivery of counseling and bereavement services to immediate family members of the ChiPACC enrollees as part of the services to the enrollee.

“(iii) The requirement of an interdisciplinary health professional team approach to care management and service delivery to ChiPACC eligible individuals.

“(iv) The provision of integrated financing methodologies that allow for the pooling of payments received from public and private programs and individuals.

1 “(v) The limitation on average aggregate
2 payment under subsection (e)(2).

3 “(C) CONTINUATION OF MODIFICATIONS
4 OR WAIVERS OPERATIONAL REQUIREMENTS.—If
5 a State agency administering a program of all-
6 inclusive coordinated care for seriously ill chil-
7 dren approved pursuant to waiver authority
8 under section 1115 or 1915(c) has contractual
9 or other operating arrangements relating to
10 such program which are not otherwise recog-
11 nized in regulation and which were in effect as
12 of the date of the enactment of this section, the
13 Secretary shall permit the agency to continue
14 such arrangements so long as such arrange-
15 ments are found by the Secretary to be reason-
16 ably consistent with the objectives of a
17 ChiPACC.

18 “(3) CONSTRUCTION.—Nothing in this sub-
19 section shall be construed as preventing the Sec-
20 retary from including in regulations provisions to en-
21 sure the health and safety of individuals enrolled in
22 a ChiPACC under this section that are in addition
23 to those otherwise provided under this section.

24 “(h) WAIVERS OF REQUIREMENTS.—With respect to
25 carrying out a ChiPACC under this section, the following

1 requirements of this title (and regulations relating to such
2 requirements) shall not apply:

3 “(1) Section 1902(a)(1), relating to any re-
4 quirement that ChiPACCs or ChiPACC services be
5 provided in all areas of a State.

6 “(2) Section 1902(a)(10), insofar as such sec-
7 tion relates to comparability of services among dif-
8 ferent population groups.

9 “(3) Sections 1902(a)(23) and 1915(b)(4), re-
10 lating to freedom of choice of providers under a
11 ChiPACC.

12 “(4) Section 1903(m)(2)(A), insofar as it re-
13 stricts a ChiPACC provider from receiving prepaid
14 capitation payments.

15 “(5) Such other provisions of this title that the
16 Secretary determines are inapplicable to carrying out
17 a ChiPACC under this section.

18 “(i) CONTINUED DEMONSTRATION PROJECT AU-
19 THORITY.—Nothing in this section shall be construed as
20 preventing a State from developing, or the Secretary from
21 approving, a project similar to or related to ChiPACCs
22 as described in this section, under existing authorities, in-
23 cluding demonstration project and waiver authorities
24 under this title or other provisions of this Act.”.

1 (c) OTHER CONFORMING AMENDMENTS.—Section
2 1905(r)(5) of such Act (42 U.S.C. 1396d(r)(5)) is amend-
3 ed by inserting before the period at the end the following:
4 “, other than items and services to the extent such items
5 and services are included under subsection (a) because of
6 the application of paragraph (28)”.

7 (d) TIMELY ISSUANCE OF REGULATIONS; EFFECTIVE
8 DATE.—The Secretary of Health and Human Services
9 shall promulgate regulations to carry out the amendments
10 made by this section in a timely manner, so as to assure
11 that it will be feasible for State agencies and entities to
12 establish and operate ChiPACCs for periods beginning not
13 later than 1 year after the date of the enactment of this
14 Act.

15 (e) FUNDS FOR TECHNICAL ASSISTANCE .—The Sec-
16 retary is authorized to expend funds appropriated to carry
17 out title XIX of the Social Security Act to make grants
18 to, or enter into contracts with, private entities or organi-
19 zations that are qualified to provide technical or other as-
20 sistance in developing and establishing ChiPACCs within
21 the States, except that—

22 (1) such funds may be expended solely for the
23 purposes of implementing this section; and

24 (2) a private entity or organization in receipt of
25 such funds must have demonstrated expertise and a

1 minimum of 5 years of experience in working with
2 or assisting in the establishment of programs for
3 comprehensive care of children meeting the descrip-
4 tion of ChiPACC eligible individuals under section
5 1942(b) of the Social Security Act, as added by sub-
6 section (b).
